

Careers that  you back

Educator

The Educator can teach either young children or other adults. The young children are taught in a daycare setting. The Educator also can teach other adults ways to help the residents receive the best possible care.

Are you a person who:

- Wants to teach in a setting outside of a regular classroom?
- Likes to solve problems?
- Finds creative answers to questions?

What is the salary?

\$28,000 – \$96,000

Employment outlook

How can you prepare to become an Educator?

- Study the benefits of placing daycares within nursing communities.
- Talk to professionals about how they receive more training for their jobs.
- Become a tutor or peer mentor.

How much schooling is needed?

Associate's Degree for Daycare Teacher and Bachelor's Degree for Staff Educator.

What are similar careers?

- Teacher
- School Counselor
- Business Manager

Career steps
