The success of *Writing with a Purpose* can be attributed to its supportive tone and thorough coverage of the process, products, and problems of writing. Consistently, the text has provided instructors with a dependable, up-to-date rhetoric that stresses the importance of purpose in writing.

The Ninth Edition includes new exercises, illustrations, and student/professional examples. Parts II and III, "The Expression of Ideas" and "Special Assignments," have been extensively revised for a clearer integration of material on the writing process, covered in Part I. For the complete edition, the handbook of grammar and usage has also been fully revised.
